FROM THE EDITOR:

It seems no time since Christmas, yet here we are well into the year again. And an eventful year it is going to be with the Queen's Jubilee and the Olympic Games on the calendar.

Our coming term in U3A promises to be every bit as great; Harvey has managed to engage a varied group of speakers for us, with something to suit every taste, and we hope that many of our members will be able to come along.

Our regular classes continue, each one with a devoted band of followers. A few mishaps interrupted our German classes in Term 1, but Helen has now recovered and will continue to instruct us once again this term. The classes are very informal and conversational, and would appeal to anyone who has a desire to learn a little of the language and customs of this country.

The Bridge Classes, led by Cam Rhodes, have proved popular, and will continue at his home in Killarney Vale. Refer to your program for details.

Our social get-together on 30th March was a happy morning. Unfortunately our guest speaker was unable to attend, but this did not dampen the spirits of those present, and there was a great deal of lively discussion. I urge members to come along to these occasions; I for one would very much like to put faces to names, and to get to know many of our members.

- Betty Siegman.

SOCIAL DAYS

The Social Day held at diggers on Friday 30th March was attended by only a small number of members.

When asked whether we should continue to hold these mornings, the response was wholeheartedly in favour of doing so.

We urge you to please come along if it is at all possible, as it is an excellent way to get to know your fellow members.

If you have any suggestions for other social occasions, don't hesitate to speak to Pam or any committee member.

Meanwhile, watch this space for further announcements.

MEMBERSHIP FEES:

ANNUAL FEE: (Renewal): \$20.

NEW MEMBERSHIP FEE: \$5 for each Term (or part thereof) for remainder of year.

Place your money together with your Membership Renewal Form in a sealed envelope and forward to The Treasurer:

**Peter Gloss
4 Sir Joseph Banks Drive
Bateau Bay NSW 2261**

**TERM : Start: 23rd April
Finish: 29th June**

FROM THE PRESIDENT:

We are very fortunate to have five new Committee members this year, who are settling very capably into their jobs. To mention only three of them, Diane Cunningham had a stall at the recent Senior's week display (helped by others), has reprinted our new publicity leaflet (a U3A bookmark is being designed). Peter Gloss has set up our new accounts system on his computer, and Doreen Morley has been passing on our care and concern to fellow members who are ill.

Your Committee meets towards the end of each term. At the meeting, we review our U3A's activities and finalise administration for the coming term. At the most recent Committee meeting on 26 March, a variety of matters came up for discussion.

Should we allow payments to the Treasurer, such as renewals of membership, or tea-money collected, to be made by deposit at Westpac branches, or by internet banking? If so, how would the payer and the nature of the payment be specified. This matter will be pursued in coming months.

Why do we invite members to nominate an emergency contact phone number on our application form? Surely if someone became unwell at one of our meetings, and they were unable to ask for someone to be notified, we would be calling for an ambulance. Ambulance staff are very efficient at identifying someone to contact, especially if emergency information is kept in your purse or wallet. So we propose to remove this item from our application form. Nor do we propose to follow the example of some other U3As who ask members to write an emergency contact on the back of their badge.

Would a membership badge that hangs around the neck in a clear plastic envelope on a cord be preferable to our existing clip-badge? A business that supplies these holders had sent us a sample. We preferred our existing holders.

Should we be making more use of email to communicate with members? Currently, we communicate by ordinary mail, sending only four newsletters per year. If we used email, we could pass on information more quickly - last minute program changes, interesting events notified to us, etc. Currently we have email addresses for nearly two-thirds of our members, who we presume are willing to receive emails from the Committee, but we may ask the question specifically on future membership forms.

— John Collis

COURSE CO-ORDINATOR'S REPORT:

This term we have eight speakers. As you can see, I have attempted to provide a wide range of topics. So do come along and enjoy what our guests have to say...

Term two begins on May 4th with *Around the World in 72 Days*, a journey as told by Tommy Thomas. Those of you who have heard from Tommy in the past will be looking forward to hearing about this wide-ranging tour completed last year.

Have you ever wondered about the business of *Bees and making Honey*? Ian Brown from Highland Park will be here on May 7th to tell us all about it. Ian has been a beekeeper for many years and has many tales to tell.

Trevor Kruger has been working hard on a new series of science topics. This series is called *On Being Human* and his first topic *Living in Air* will be given on May 18th. Those of you who attended Trevor's topics in the past will know that this will be an informative, entertaining and thought-provoking series.

The team of Alan Jay Lerner and Frederick Loewe dominated the Broadway stage and American musical theatre. Their musicals – *Brigadoon*, *My Fair Lady*, and *Camelot* – still live on in revival performances and in their movie versions. Rodney Russell will present two sessions on *Looking at Lerner & Loewe*, the first on May 21st and the second on June 4th.

Are you interested in spies and the secret plotting and planning behind close doors? Brendon McGrath's two part talk on *Spies, Spies and even more Spies – or tell me about MI6, SOE, WW2 and Churchill* will start on June 1st and conclude on June 15th.

The last talk for the term, on June 18th, will be from Bob Davis. Bob lives at Brooklyn and will talk about *Characters of the Hawkesbury River*. Bob has been the winner of Toastmasters public speaking contests and his book *Growing up in Asquith* was published in 2006.

I am always looking for new speakers, so if you (or a friend or colleague) have a particular area of interest and you would like to tell us about it then please contact me.

*'A man's mind, stretched by a new idea,
can never go back to its original dimension.'*

**LOOKING AT LERNER AND LOEWE** **MONDAY**

Secretary: Part 1: Pam McGlenn (4390 2451)  
Secretary: Part 2: Betty Siegman (4332 0870)  
Venue: diggers @ the entrance  
Date: 21st May ( Part 1); 4th June (Part 2)

The musical shows created by lyricist and librettist Alan Jay Lerner and composer Frederick Loewe are among the most loved in Broadway/West End history, as well as being admired in their cinematic forms. They include *Brigadoon*, *Paint Your Wagon*, *My Fair Lady*, *Camelot* and *Gigi*.

In **Part 1** (21st May), we'll look at *Brigadoon*, *Paint Your Wagon* and how *My Fair Lady* came to Broadway.

In **Part 2** (4th June), we'll look at how *My Fair Lady's* Broadway success led to the film version, as well as *Gigi* and *Camelot*.

"Wiv a little bit of luck" we will understand some of the difficulties the two men experienced in creating these shows and hear some musical highlights from them. I hope you'll find it all 'lovely'.

CHARACTERS OF THE HAWKESBURY: **MONDAY**

Speaker: Bob Davis
Secretary: John Collis (4333 9079)
Venue: diggers @ the entrance
Date: 18th June

Brooklyn, Hawkesbury River, has enjoyed a relaxed laid-back style of living for well over 100 hundred years, in fact we have a saying that when you drive onto Brooklyn Road you will feel your car go Whoop ! This is our time warp, you are driving back into the past. The life style, so close to Sydney and a railway station near by, has attracted and held many characters. At the time of writing we have 17 homeless men and women living here, all with a story to tell. My presentation is a light hearted look at some of these and other locals who have added to our history and said things that help us take ourselves less seriously in a troubled world. I have a great respect for them.

**ON BEING HUMAN****FRIDAY****PART 1 - LIVING IN AIR**

Speaker: Trevor Kruger  
 Secretary: Rhonda McDiarmid (4332 2300)  
 Venue: diggers @ the entrance  
 Date: 18th May

Series Theme - "To what extent are we humans a PART OF NATURE or APART FROM NATURE ?"

Both from everyday and scientific points of view the air we live in may be arguably the least predictable, understood or agreed upon part of our lives. Think: weather forecasts, floods, droughts, El Niño, climate change, snow storms, lightning strikes, tornadoes, cyclones, sunburn ... and will the surf be up?

But then again -*When all is said and done, the weather and love are the two elements about which one can never be sure.* **Alice Hoffman**

At the same time everyday wonders of change (e.g. aurora borealis. /aurora australis) inspire us, both culturally and scientifically, with our intellectual and emotional use of imagination to satisfy our curiosity and understandings of how our atmosphere can and may affect us. Maybe enough to pen a poem, write a novel, produce a movie or excite a potential meteorologist!

You'll witness training films and you too can be an active member of MI6. We'll touch upon other spy agencies and their involvement in world affairs.

**IMPORTANT NOTICE****SURVEY ENCLOSED: PLEASE READ**

Included with this Newsletter is a survey to gauge your opinions on the possible presentation of a 5-part course on Comparative Religion.

The course would be presented by our member, Tony Thomson. It was extremely popular when Tony presented it some time ago, and should prove to be even more interesting now, with the addition of audio/visual material.

Please understand that the course is completely objective and unbiased.

The committee would like you to read the attached survey carefully. If you are interested, return it, together with your name and membership number, indicating your preferred choice of day, to Harvey Birtwistle or any course leader or committee member. This will place you under no obligation to attend the course, but will assist us to estimate possible numbers.

If there is sufficient interest, it is expected that the course will be scheduled for Term 3.

WELFARE REPORT

We were saddened to hear of the loss of Ann Davis, a past member of our U3A.

Ann was one of Australia's leading puppeteers, and the creator of Amanda the Cat, so well-loved by many children.

She is survived by her sister Jayne.

~~~~~

Thank you to all those people who were good enough to advise me when a Member was experiencing health problems. During this first term I was able to send cards to five members and to follow up with telephone calls where necessary. I have heard that this initiative by U3ATL is appreciated and I will continue to make every effort to let members know that their wellbeing is a matter of concern to us all.
