## FROM THE EDITOR:

Well, as they said in that old movie "Just when we thought it was safe to get back in the water" ...

Covid restrictions seem to come and go, and it is difficult to keep up with them. We hope that this term will proceed without any problems, but that could change at any moment. If so, we will do our best to notify our members, but we ask that you all keep informed of the current situation.

Last term was pretty well back to normal, with all classes being well attended. However, we were saddened to learn of the death of two of our long term members; details are on Page 2.

After the last talk for the term on Friday 18th June, members adjourned for lunch to Tigers at Bateau Bay. There were 22 in attendance, and it was a very happy day. There will be another lunch on Friday 17th September; for details see below.

Don't forget to advise Helen if you are coming.

## FROM THE PRESIDENT:

Just when we thought we had survived the Virus it has flared up again with an even more virulent strain. Until we are all vaccinated we are not safe.

We will continue to follow whatever regulations are put in place for your safety and look forward to all of our classes continuing as usual.

We are very fortunate not to have any cases of the Virus on the coast, but as we are a part of Greater Sydney we must remain vigilant to keep everyone safe.

I hope everyone enjoyed our end of term lunch. It's a good way to get to know the members from our various different classes.

We hope to continue with the end-of-term lunches as a regular event. Stay safe,

*Cheers, Helen*

## IMPORTANT

**At the time of printing this Newsletter, we are in full lockdown. We hope that these rules will not apply when classes resume on 12th July.**

**If you have any doubts contact your group leader or a committee member (phone numbers are on Page 1).**

**In the meantime, obey the rules and stay safe.**

## WELFARE

Two pieces of sad news. Sadly, long-term member, Dorothy King, passed away recently.

Soon after, we heard that Marie Murray has also passed away. Both ladies were popular members of their interest groups and Dorothy regularly attended our Friday talks.

Cards of condolence have been sent to their respective families.

## MOVIE APPRECIATION

**MONDAY**

Leader: John and Rita Richards (4388 4945)

Venue: 34 Aston Wilde Ave, Chittaway Bay

Dates: 12, 26 Jul; 9, 23 Aug; 13 Sep

**Times: Movies shown mornings, 9.30-12noon**

**CHECK WITH RITA BEFORE ATTENDING**

### **Monday 12 July: STRANGERS ON A TRAIN: 1951**

(104 mins) Farley Granger, Robert Walker, Ruth Roman, Patricia Hitchcock, (Alfred's daughter), Leo G Carroll. The abiding terror in Alfred Hitchcock's life was that he would be accused of a crime he did not commit. This fear is at the heart of many of his best films, including "Strangers on a Train", in which a man becomes the obvious suspect in the strangulation of his wife. He makes an excellent suspect because of the genius of the actual killer's original plan: Two strangers will "exchange murders", each killing the person the other wants dead. They would both have airtight alibis for the time of the crime, and there would be no possible connection between killer and victim.

### **Monday, 26 July: 12 ANGRY MEN: 1957 (93 mins)**

B&W. Henry Fonda, Lee J Cobb, Ed Begley, Jack Klugman. 12 Angry Men is a powerful, suspenseful and "fascinatingly entertaining film" (Los Angeles Examiner.) Eleven jurors are convinced that the defendant is guilty of murder. The twelfth has no doubt of his innocence. How can this one man steer the others towards the same conclusion? It's a case of seemingly overwhelming evidence against a teenager accused of killing his father in "one of the best pictures ever made."(The Hollywood Reporter) All but three minutes of the film was shot inside the bare and confining 16' x 24' jury room.

### **Monday, 9 August: THE OTHER BOLEYN GIRL: 2008**

(111 mins). Natalie Portman, Scarlett Johansson, Eric Bana. The story of two beautiful sisters, Anne (Natalie Portman), and Mary Boleyn (Scarlett Johansson), who, driven by their family's blind ambition, compete for the love of the handsome and passionate King Henry VIII, (Eric Bana). While both women eventually share the king's bed, only one will ascend to the throne for a brief and turbulent reign that ends tragically with the swing of the executioner's sword.

### **Monday, 23 August: TWISTED: 2014 (93 mins).**

Ashley Judd, Samuel L Jackson, Andy Garcia. Jessica Sheppard, (Judd), a San Francisco police inspector is prowling the wharves for a serial killer, whose victims all have one thing in common: her. The investigation becomes more twisted as her partner, (Garcia), behaves strangely, and the Police Commissioner (Jackson) is being asked to remove her from the investigation as she is a prime suspect. All the clues point to her and Jessica begins to suspect that she might be the killer. "A provocative psychological thriller that will keep you guessing to the very end."

### **Monday, 13 September: BRASSED OFF. 1996**

(108 mins) Ewan McGregor, Tara Fitzgerald, Pete Postlethwaite, Stephen Tompkin. All over England mines are closing. Gloria (Fitzgerald) is sent by her power company to assess the condition of a coal mine in her former hometown. Her arrival injects a new lease of life in the local band which prepares for a national competition. "Forget feel good, this is feel-bloody-marvellous." (THE BULLETIN).

**IMPONDERABLES**

*Ponder on these imponderables for a minute:*

Do infants enjoy infancy as much as adults enjoy adultery?

If a pig loses its voice, is it disgruntled?

If love is blind, why is lingerie so popular?

Why is the man who invests all your money called a broker?

When cheese gets its picture taken, what does it say?

Why are a wise man and a wise guy opposites?

Why do overlook and oversee mean opposite things?

Why isn't the number 11 pronounced onety one?

'I am' is reportedly the shortest sentence in the English language. Could it be that 'I do' is the longest sentence?

If lawyers are disbarred and clergymen defrocked, doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed, tree surgeons debarked, and dry cleaners depressed?

I thought about how mothers feed their babies with tiny little spoons and forks so I wondered if Chinese mothers use toothpicks?

Why do they put pictures of criminals up in the Post Office? What are we supposed to do, write to them? Why don't they just put their pictures on the postage stamps so the postmen can look for them while they deliver the post?

No one ever says, 'It's only a game' when their team is winning.

Isn't making a smoking section in a restaurant like making a peeing section in a swimming pool?

If four out of five people suffer from diarrhoea, does that mean that one out of five enjoys it?

Why if you send something by road it is called a shipment but when you send it by sea it is cargo?
