From the President:

Almost a quarter of this year has passed and we have successfully completed our first year of operation. It has been most encouraging, particularly as so many programmes have been initiated for this year, giving our members multiple choices.

The feed-back has been promising which shows that we are headed in the right direction. It is not intended that our members attend each course but, rather, select the day or days of the week suitable to them according to the Course Calendar. The endeavour has been to provide a topic of interest for everyone.

Thanks and congratulations go to our members and guest speakers who have provided us with such a variety of topics and 'talks' of great interest at the various venues.

One of our sessions held on the first and third Monday of each month conducted by **Val Clarke** will now be known as the "**Discussion Group**" - previously called "Current Affairs".

We appreciate the effort being made by **Elaine Callan** and **Iris McWilliams** in transporting our guest speaker, **Martha Foulsham**, from Toukley and back each week. Martha is partially blind and dependant on others for transport; hence, alternate trips are being made to cover the eight sessions at The Memorial Club, Long Jetty. Thank you both for the fine gesture.

The Committee has agreed that the \$2.00 fee for 'speakers' at meetings will be waived as the preparation for their topic surely warrants such a decision.

The occasional 5th Monday occurring in a month presents an opportunity for a social event — see your Course Calendar.

Venue Coordinator, **Claire Wood**, informs us that the GST will apply to our association but it is unknown at this stage to what extent. Wyong Council cannot give us a definite answer. We will have to wait until July for the outcome.

INDISPOSED

Dorothy Hughes has not been feeling too well lately and has felt it prudent to curtail her activities with U3A for the time being. We wish her a speedy recovery and hope to see her back on deck in the near future. Due to family illness, **Betty McDowell** has been unable to attend any courses this year. We look forward to her early return also.

ASPECTS of AUSTRALIAN HISTORY:

This is a second series of five talks, each given by a different Course Leader – Tuesdays – 10 am at Tuggerah Lakes Community Centre:

EXISTING COURSES

Come and talk about a new author, book or subject that you find exciting and share it with us. All welcome. Every 4th Monday - 10am to 12md – The Entrance Neighbourhood Centre.

The **Discussion Group** with **Val Clarke** is always looking for ideas and subjects for discussion or talks – with an emphasis on **discussion**. 10am to 12md – 1st and 3rd Mondays at The Entrance Neighbourhood Centre.

Lets Talk It Over with **Marie Cioccarelli**. If you like to discuss day to day issues and voice your opinion then this is the course for you. Come and join us – everyone welcome. Starts Friday 12 May – 10 am.

DISCONTINUED COURSES

Both the **Chess** and **Bridge Groups** have been discontinued for the time being because of lack of interest. However, either or both could be revived if there is sufficient interest; contact the **Course Co-ordinator** on 4353-1939.

Tom Marish regrettably has found that it would be too difficult to run any more **Computer Courses**. Members interested in learning about computers from scratch or in developing their existing skills should consider joining one of the many existing Computer Clubs which have sprung up on the Central Coast.

FUTURE COURSES and ACTIVITIES

Eva Seale on 4388-5848 would like to hear from members who are interested in starting a **Crossword Group**.

The **Course Co-ordinator** would like to hear from members who are interested in a course on **Calligraphy**.
