Tuggerah Lakes (NSW)

May 2001

<news0105.pub>

From the President:

As our group goes into recess during school holidays, the First Term of 2001 ends on 7 April. Courses will resume on 1 May.

Thanks to good publicity and word-of-mouth, our membership has grown to over 70 which should be maintained with the quality of new courses coming up in Second Term.

Look out for:

- ◆ *Music Appreciation;*
- ◆ *A History of the (Dutch) United East India Company and the Spice Trade; and*
- ◆ *a new Cryptic Crosswords for Beginners.*

Of course, we still have the old Guest Speaker's Forum and Let's Talk It Over.

Aspects of Australian History has been expanded to include the accidental landfalls and planned reconnaissances by the Dutch of the north and west coasts of Australia. The series will continue in Term 3.

Russian History and Watch your Language have been very popular. June Goss will return later in the year to give some personal recollections of her time in Russia; Margaret Bates has promised to conduct another course some time in the future.

If you have enjoyed any of our courses, please don't keep it a secret – pass the word on to a friend and extend their horizons also.

We are preparing a pamphlet which will assist us in spreading the U3A message.

Regards to you all,

Eva Seale

Welfare News

Claire Wood's cataract operation was a complete success and she now feels much more comfortable.

Terry O'Brien is obviously fighting fit again. She said a big bag of Compost laid her low – then she got high on Pethidine. Good to see you with so much energy, Terry.

Jean Taylor is making good progress and feeling much better. She expects to undergo additional treatment later in the year and so our thoughts will go out to her then.

Mary Sanderson is much improved and endeavouring to return to regular attendance at our meetings. She and husband John have recently returned from a car journey to Brisbane and were lucky to avoid the heavy rains in our northern towns.

Dorothy Hughes's planned relocation to Coff's Harbour has been delayed because of health problems. She would be delighted to hear from members – ph: 4332-6950.

Pauline Stevens has had a recent third hip replacement but her recovery has unfortunately been slow. She also would like to hear from members – ph: 4384-6101.

CAN YOU HELP? One of the important positions in our organisation is that of Class Secretary. To assist in the smooth running of each course, we need someone who is prepared to mark the roll, collect the tea money and pay the venue hire person whatever is due to them. We know we have a lot of responsible, dependable people in U3A Tuggerah Lakes. When you ring the Course Co-ordinator to book in for a class, please consider mentioning to her that you would be prepared to take on the job of Class Secretary. Your help will be greatly appreciated!

Dorothy Rhodes (Secretary).

NEW COURSES

THE SPICE TRADE:

Guest Speaker, **Peter Frylink**, will speak about the history of the (Dutch) VOC (or The United East India Company) from 1600 to 1800 and its involvement with The Spice Islands (where Peter lived as a child).
