From the President:

This year, as well as having the usual sessions at Long Jetty, we have commenced additional sessions at Toukley and Wyong. The Committee has put a lot of thought into organising courses and speakers for these venues – but to continue with them, we must have support.

Many of our members, as well as guests, have agreed to speak and for this we are very grateful as we know the work it entails. But it is most embarrassing to have someone taking the trouble to speak to us with only five people attending! Of course no member can go to all sessions – we do not expect that – but, if you think a particular topic might interest a friend, why not bring him or her along. For this term, let's adopt the slogan:

BRING A FRIEND

Now a resume of what you can expect:

Guest Speakers Forum will be continuing at Long Jetty Uniting Church Hall on 1st and 3rd Mondays with "Tales from Abroad" - speakers who have been born or spent some time abroad, eg, Japan, Greece, Bangladesh, Scotland and one born of Gypsy parents who has travelled the world as a circus performer.

Terry O'Brien – that very popular speaker – will now be at Tuggerah Lakes Memorial Club on alternative Tuesdays (instead of Fridays) talking about Women Communicators as part of our series on Aspects of Australian History. Included will be Judith Wright, May Gibbs, Elizabeth Jolley, Sonia Hartnett, Thea Astley, Louisa Lawson, Oodgeroo Noonuccal and some women in the contemporary media – something different for history buffs.

*On the other Tuesdays at the Wyong RSL (in place of Play Reading), there will be, firstly, on 14th May, **A Welcome to New Members** which we hope will be attended by both old and new members. A guest speaker from Radio 50+ has been invited to give a short talk about the station on that occasion.*

The other three talks at Wyong RSL will be given by Elaine Callan. The first will be on the History of Turkey, the second will be an account of her Travels in Turkey and the third will cover her Experiences in Alaska.

On Wednesdays, Cryptic Crosswords at Tuggerah Lakes Memorial Club will be alternating with Music Appreciation at Levina's home – thank you Levina. Meanwhile, over at Toukley, Pam McGlinn has other interesting speakers lined up as well as a discussion group with set topics. Pam will be on holidays for two of these – lucky girl – but

other Committee members will stand in.

There will a complete change in the subjects for discussion at Toukley RSL on Thursdays as Warren Hyslop will be somewhere on the high seas on his beloved Endeavour – Bon Voyage, Warren! The first speaker in his absence will be Margot Castles, Community Development Worker with Wyong Council. The following three talks will have a medical theme and will be given by our members – Barbara Skurr, Joyce Clinch and Judith Marish – all retired practitioners in their fields – speaking respectively on aspects of Audiology (Living with Deafness), Medicine and Pharmacy.

That brings us to Fridays. On 1st, 3rd and 5th Fridays, there will be a series on Aspects of Education at Tuggerah Lakes Memorial Club beginning with Caroline Flynn who spent 8 years in Japan teaching English. This will be followed by 3 sessions given by our members - Elaine Callan, myself and Dorothy Rhodes – on aspects of Education in NSW. Then Eric Aldin will tell us about A Most Unusual Education and, finally, Geoffrey Robertson, will talk about Teaching Management Skills. On 2nd and 4th Fridays, Marie Cioccarelli continues with Let's Talk It Over when you can have your say on any topical subject of interest to the other members.

*We hope we have presented a varied and interesting programme. But please don't forget our slogan - **BRING A FRIEND** – as we must increase our numbers at some sessions.*

Your President

Eva Seale (March 2002)

Finish: 5 July**
