FROM THE EDITOR:

Well, at last we are back together. It has been a difficult time, and we hope we are over the worst, unless the actions of a few careless people put us all back where we were.

There are quite a few changes this term; some courses have been suspended for the time being, others will continue but may be in a different venue, so please read the Newsletter carefully. Details for all courses are given on page 2.

We have tried to keep you all connected during the last few months. I hope you have enjoyed reading the Virtual Link and my thanks go to those members who contributed. Rhonda organised a Zoom meeting for Marbles afternoons, and 6-8 members joined in, and this has worked very successfully.

My crossword class are all online, so I have been keeping up the homework to them each week relentlessly, and other groups have maintained contact in various ways.

We hope you enjoy this term, although classes are limited. You will be advised as soon as we are able to resume any of our other activities.

Sadly, our usual room at the Neighbourhood Centre at Berkeley Vale is no longer available to us. I have decided to present the mornings in my home at Long Jetty.
